### CLAN DONALD CANTERBURY'S "HAT AND LIMERICK" PARTY Saturday 6th April 2013

Christine and Elwyn Martin hosted Clan Donald Canterbury's "Hat and Limerick" party at their house on Saturday 6 April which just happened to be our Secretary, Margaret Donald's birthday. Attendees were required to wear a hat and make up a limerick.

It was impossible to go past Elwyn and Christine's house, as beside Scottish flags being displayed, a large cardboard Scot was at the street entrance to greet guests.

We were entertained by Reuben O'Neill who at the young age of 11 years played the pipes exceptionally well.

The reading of the limericks proved to be very amusing. Prizes were awarded with the winners being Ian Donald and Helen Ring. Cath Lyall won a prize for the best hat.
